

Meet *Joe Zywiec* COTTAGE GROVE, MINNESOTA the Farmer

Joe Zywiec grew up on a farm and worked his way through college where he earned a teaching degree. “Growing vegetables is a lot like growing kids. You can’t just leave them on their own,” he says. “They need care and nurturing. Watching seeds grow up into healthy produce is incredibly satisfying.”

H. Brooks and Company has been partnering with local and sustainable growers for more than 100 years. H. Brooks and Company is approved to handle Food Alliance Certified products and is independently verified for its commitment to environmentally and socially responsible management.
